# Montana Healthcare Programs Notice

## School-Based Services Providers and Mental Health Agencies

---

### Place of Service Change for CSCT services

Effective March 3, 2008

Beginning March 1, 2008, the Comprehensive School and Community Treatment (CSCT) program administered by the Department of Public Health and Human Services will activate some changes to the place of service edit. The HCPCS code, **H0036**, is currently open to place of service in the school (03) and doctor's office (11). The Department has changed the place of service to **only** be eligible for the school (03) and the patient's home (12). Claims will be denied if any other place of service is used.

- CSCT allowed services performed on a **field trip** with the class, during the school year, will utilize place of service 03 because the activity is school sponsored.
- CSCT allowed **family treatment** being performed after school hours in the client's home, will utilize place of service 12.
- CSCT allowed services performed during a **summer program** based at a school, and during an outing, will utilize place of service 03 because the activity is school sponsored/related.
